

# Solice IV

## In-room Treatments

A discreet collection of physician-formulated infusions, delivered in the privacy of your room by a qualified clinician. Each treatment is precisely calibrated to restore, refine and renew — quietly, effortlessly, completely. Sessions last between forty-five and sixty minutes.

To arrange a session, please contact our Concierge Team. Dial 6230 on your in-room phone, WhatsApp them on +44 (0) 7525 630130, or email [concierge@thebeaumont.com](mailto:concierge@thebeaumont.com)

## THE DRIPS

<b>The Classic</b> Deep cellular hydration to restore balance and lift fatigue. The reset, quietly delivered.	450
<b>The Centurion</b> An elite longevity infusion working at the deepest cellular level — energy, clarity, vitality, restored.	595
<b>The Cleanse</b> A restorative drip that flushes cellular toxins and leaves a profound sense of lightness.	495
<b>The Oracle</b> Mental mastery for high performers. Sharper cognition, faster decisions, effortless focus.	550
<b>Nootropic &amp; Repair</b> Amplifies mental performance at its source — memory, clarity, sustained sharpness.	495
<b>Align</b> A single-purpose drip that cuts through mental noise. Calm, clear, completely present.	475
<b>High-Strength Vitamin C</b> Clinical-grade immune fortification, far beyond what diet can provide.	495

<b>NAD+ Express</b> A swift, focused boost of NAD+ for cellular energy and longevity.	475	<b>Beauty Tonic</b> A concentrated blend of skin-transforming nutrients. Arrive glowing, leave radiant.	525
<b>Procaine Regeneration</b> A refined, classical protocol supporting circulation, regeneration and graceful ageing.	450	<b>Glow Getter</b> The most intensive brightening experience on the menu — radiance unlike anything else.	550
<b>Anti-Ageing</b> Quietly protects cells, calms inflammation and supports the way you age.	475	<b>BOOSTERS &amp; SHOTS</b> A selection of focused enhancements — taken alone or paired with any drip.	
<b>Immunity Armour</b> Triggers cellular renewal and builds long-term immune resilience, season after season.	475	<b>Glutathione Boost</b> Master antioxidant; supports skin clarity and detoxification.	145
<b>Myers Cocktail</b> The original physician-formulated IV — energy, mood and a feeling of being thoroughly well.	475	<b>Ultimate Elixir</b> A swift, all-purpose wellness top-up.	110
<b>Anti-Inflammatory</b> Calms an overworked system, eases tension and supports recovery at a level felt almost immediately.	450	<b>B12 Energy Shot</b> An immediate lift to energy and metabolism.	95
<b>Sleep Aid</b> Quiets the nervous system and prepares the body for the kind of rest that truly restores.	515	<b>Vitamin D</b> Quiet support for immunity and mood.	95
<b>Deluxe Recovery</b> A full-spectrum recovery infusion for body and mind.	475	<b>NAD+ 50mg</b> An entry-level cellular energy boost.	145
<b>Athletes Infusion</b> Replenishes amino acids, vitamins and minerals; accelerates muscle repair and restores sustained energy.	695	<b>NAD+ 100mg</b> A higher-dose longevity infusion.	225
<b>Jet Lag Reset</b> Recalibrates the body after long-haul travel and restores natural rhythm.	495	<b>PACKAGES</b> A series of five sessions is offered with a twenty per cent reduction. All treatments are administered by Solice Health clinicians. A confidential consultation precedes every session.	

Please note that IV treatments cannot be combined with Spa services during pregnancy or within the hammam.
